THE TIME OF OUR LIVES . . .

Life is mostly froth and bubble;
Two things stand like stone:
Kindness in another's trouble,
Courage in our own.

STUDENT LIFE

The Good Old Times Are Not Forgotten,

nor The Game With The Faculty

The "Patches" team consisted of star players Ruziski, Martino, Batten, Hibbs, Taylor and Tims. This team, along with their capable cheerleaders, Early, Spry, and Orcutt, provided many exciting moments for the student body. Orange juice was supplied by "Water-boy" Taylor.

The Golden Hit Tunes of 1966

The Home Economics department gave an impressive fashion show, as well as the golden hits of the year as narrated by Rita Bartlett and played by Coleen Bell.

The E.S.E.A. Summer Program Provided Many new Experiences for Students

The pilot program of the Elementary Secondary Education Act provided many interesting and educational opportunities for students at Lumberport High School.

Field trips to Waters Smith Park, Lockheed Aircraft, Sanitary Baking, Lowndes Hill and Old Indian Mound were most enjoyable.

Detective Barnes was kept quite busy as he ambled around the old mansion in search of the Scarlet Ghost, who kept terrorizing its occupants.

Our Memories of the "Scarlet Ghost" Will Long Be Cherished

The Home Economics Club sponsors "Bundle Drive" for families of the Appalachian Area. Each home room entered the drive with varied enthusiasm, but in the final round up Mrs. Berger and her Eight grade home room won the prize and was presented a tropical plant as a reward.

The Junior Class conducted a magazine sales campaign to boost their treasury. Prizes were awarded to the person with largest number of sales.

The highest salesman, Cinda Davisson, was presented a radio.

The National Honor Society served a tea for parents and teachers during American Education Week.

Students have a time of their lives at the Sadie Hawkins Dance sponsored by the Eagletts.

The idea for "Sadie Hawkins Day" was taken from "Lil Abner." Girls ask the boys for dates, and the girls paid the admission.

Recorded music was provided by disc jockey, Al Newton.

Assembly Programs Offer Wide Variety of Interests

Science Exhibits, March of Dimes, College Day, and Thanksgiving devotions were subjects presented to the Lumberport High School student body during assembly programs.

Various students of L.H.S. helped to plan the Thanksgiving Program this year. Reverend Earl Sidler, a resident of Shinnston, was special guest. During Christmas, all students participated in singing Christmas Carols. Miss Tims and the French Club sang songs in French.

Remember The Wonderful Time . . . The Homecoming Dance

Just think our first big dance –
And look at all that food!
Teenagers sure live in an exciting world.
Fight! Eagles Fight!
I could have danced all night.
This sure is an exciting moment.

Gracie, I am honored to crown you the Homecoming Queen.
This cape sure is hard to hook!
Queen Gracie Swiger and her escort, Tom Moots.
This is the most exciting time of my life!
Won't the music ever begin!

Each class elected a representative to participate in the show. The winner of the contest was chosen by the class with the largest donation. The classes sponsored bake sales, candy sales, and noon hour dances to raise money for their representative.

Many students helped make up the cast of the L.H.S. Leg Show. Rufus, Grady, David, Dennis, Steve, and Jimmy, the main characters, and their sponsors, Connie, Kristy, Mary Lou, Judy, Dawn, and Jaynee (Not pictured) marched out on the stage to take their last and final bow for a performance well done.

To an outsider, sports mean games and excitement and cheering. But, in the students' life, sports mean even more than that. They mean long hours of tiresome practice, high hopes and sometimes the lonely feeling of defeat as well as victory. To other students and to teachers, sports mean watching and rooting for good friends and working to show the best your school has to offer.

Well, let's try it again.

Enthusiastic Cheerleaders Bolstered Eagle Spirit

"Go Eagles!" These words we hear from our six talented cheerleaders who lead our student body during football and basketball assemblies and games. These young people are enthusiastic, friendly, tactful, and tireless. The cheerleaders' purpose is to create school spirit, loyalty, interest, and sportsmanship in school sponsored activities. This is well-worth the effort when all the students yell and the Eagle team goes on to victory.

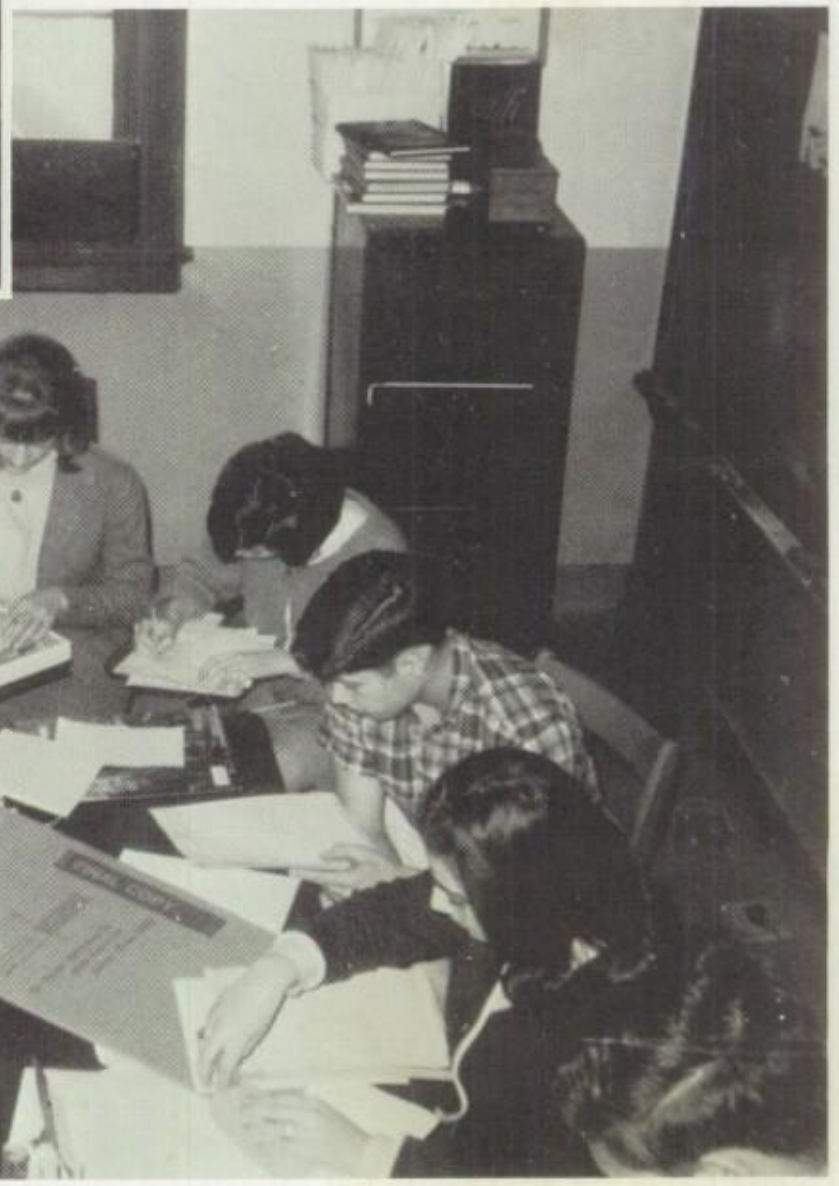
Thus times do shift; each thing his
turne does hold;
New things succeed, as former
things grow old.

Herrick



The yearbook staff would like to take this opportunity to express thanks to the many people who have made this yearbook possible. It is fitting that we first express our appreciation to Mrs. Jessie Taylor for her guidance, patience, and time. Her tireless efforts and encouragement were an indispensable factor in editing our yearbook. We are also indebted to Mrs. Opal Martino for her assistance and suggestions in writing copy, captions, and headlines.

The publication of this yearbook would not have been possible if it weren't for understanding teachers who were lenient and thoughtful enough to excuse students to work on yearbook when a deadline was approaching or pictures were being taken.

All in all, the completion of the yearbook was the result of the joint effort of the faculty and senior students.
